

Product Name Aegis | IP65 Outdoor Linear Wall Light, 4 Lengths

Style Modern / Rectangular

Power Supply Hardwired

A rectangular porch light in die-cast aluminium with a glass panel across the bottom, sitting close to the wall or the soffit and washing the surface below it evenly.

Four lengths from 200 mm to 800 mm, in warm white or white, singly or in sets for a long eave.

Die-cast aluminium and glass rated IP65, so an exposed patio or a walkway is no problem.

Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.

● Basic Product Information

Product Type	Linear outdoor wall light
Power Supply	Hardwired
Mounting	Wall or soffit, close-mounted
Colour Temperature	Warm white or white – selected at order
Finish	Black
Sold As	Single, set of 2, or set of 4

● Materials & Construction

Body	Die-cast aluminium
Panel	Glass, light-transmitting
