

Product Name CopperGlow | Brass Solar or Hardwired Garden Pillar Light

Style Traditional / Brass

Power Supply Hardwired or Solar

A pillar light made from H65 brass with a copper-toned finish and a clear glass shade — solid brass, not painted steel.

Runs on solar or mains power, in three sizes for gate posts, terraces and courtyards, with three selectable colour temperatures.

Rated IP54, so it is best in a position with some overhead shelter rather than fully exposed.

Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.

● Basic Product Information

Product Type	Pillar light
Power Supply	Hardwired or Solar
