

Product Name	Candle Wick Cordless Table Lamp, 25 cm Metal
Style	Minimalist / Nordic
Power Supply	USB-C rechargeable, battery

A slim aluminium stem on a curved dish base, topped with a PMMA wick that lights like a candle flame. A small ring handle on the base lets you carry it from room to room.

Four finishes — black, gold, silver and white — sandblasted and electroplated.

Touch the base to switch it on; press and hold for stepless dimming. Charges over USB-C, no cable trailing across the table.

Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.
