

Product Name LuminaraStone | Solar or Hardwired Exterior Pillar Light

Style Traditional lantern

Power Supply Hardwired or Solar

A traditional lantern pillar light in aluminium alloy with a clear glass shade, for fence posts, door pillars and landscape columns.

Runs on solar, or hardwired with a standard E27 globe — so it can go on posts with no power run to them.

Rated IP65, dust-tight and protected against low-pressure water jets, so it can stay on an exposed post through wet weather.

Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.

● Basic Product Information

Product Type	Pillar light
Power Supply	Hardwired or Solar
Mounting	Ground or post
Control	Remote control or wall switch
