

Product Name Solar Path Lights | Colour-Changing Garden Stake Set

Style Decorative / Path

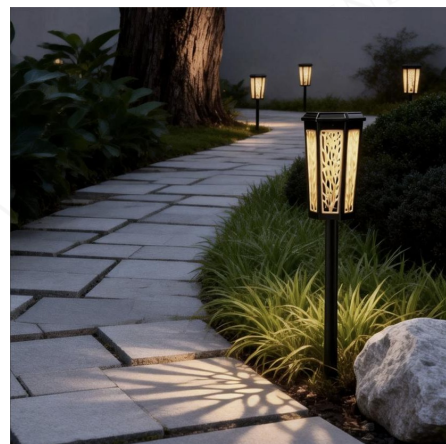

Power Supply Solar, rechargeable battery

A lantern-headed stake light in ABS and PC, the panels cut with a leaf pattern that throws its own shadow across the path as well as lighting it.

Two lighting modes in one fitting — RGB colour cycling for an occasion, or a steady 2000K warm yellow for everyday.

Solar and wireless, with a dusk-to-dawn sensor: 6 hours of sun gives 8 to 10 hours of light.

Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.

● Basic Product Information

Product Type	Path and stake light
Power Supply	Solar – no wiring
Mounting	Push-in ground spike – no tools
Switching	Automatic – light sensor, dusk to dawn
