

Product Name	Top Hat Cordless Rechargeable Table Lamp
Style	Modern / Portable
Power Supply	Rechargeable battery, USB

A cordless table lamp in polished aluminium with an acrylic top shade and a touch control on the crown.

A short press switches it on or off, a light touch changes the colour, and holding it dims smoothly through the full range.

A 3600 mAh battery gives about eight hours of light on a full charge, over USB. No wiring, no electrician, no power point needed.
