

Product Name Spiral Up-Down LED Wall Sconce, Aluminium IP65

Style Sculptural / Modern

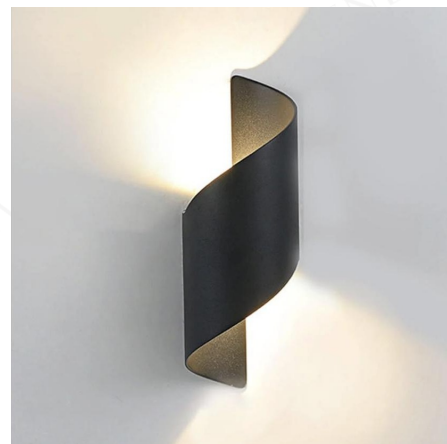

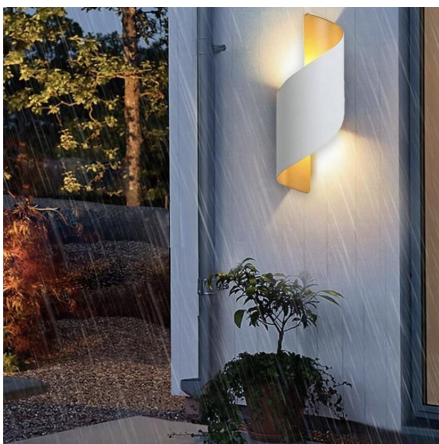

Power Supply Hardwired

A twisted ribbon of die-cast aluminium, open at both ends, throwing one beam up the wall and one down it. Under 100 mm deep, so it sits close in a corridor or a stairwell.

Four finishes — black, black with gold, white, and white with gold — in warm white or white output.

High-temperature baked paint and an acrylic diffuser, rated IP65 for rain and snow, at CRI 80.

Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.

● Basic Product Information

Product Type	Up-down wall sconce
Power Supply	Hardwired
Mounting	Surface-mounted to the wall
Illumination Area	Approximately 3–5 m ² (32–54 sq ft)
